VAMPING 'TILL READY

We started offering Charter Memberships in December and I started writing this monthly newsletter at that time. Each month we have tried to give our very patient members a progress report on the physical improvements and trials and tribulations of starting a new business. I discuss policy with Arlene, then I write stories, Steve Mitchell makes them graphically interesting and Allison LeCount makes sure our members get the news via email or USPS. (The emails are in full color when you print them from your computer. Please make sure we have your proper email address.)

For half a year we have been “vamping ‘till ready” - Now, thanks to major work in July, we will be “open for business” on a limited basis by the middle of this month. This newsletter will include a schedule for our open dates. The term “limited basis” means beginning August 23rd we will be open Thursday and Friday evenings. Our doors will open at 5:00 PM on our new *Lakeside Veranda* and *The Lance Burton Bird Terrace* will be open for sunset cocktails. The concert lounge will be a great place to meet your fellow members and your guests.

Until we open our variety showroom Invisible Isabel “Izzy,” Invisible Irma’s ghost sister, will play our concert grand piano. (Izzy prefers not to play song requests like her sister in Hollywood.) From 7:00 PM to closing one of our finest Magic Castle close-up magicians will entertain and amaze you and your guests with strolling magic.

AN EVENING AT THE MAGIC CASTLE CABARET

We will offer complimentary valet parking (not including gratuity). There is also free parking across the street.

Entering the club please show your membership card to our receptionist who will unlock the mystery of entering the lounge and showrooms.

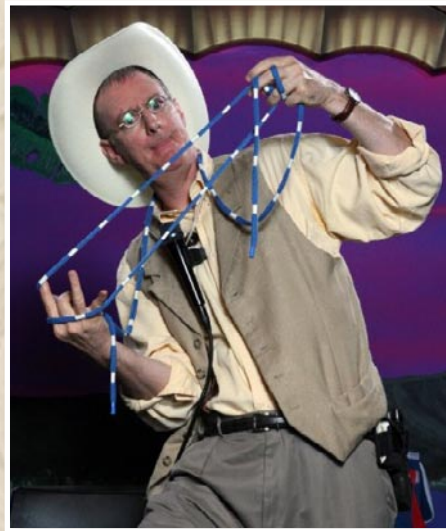

We have tried to recreate the old world ambiance of a summer palace in Europe in which guests feel they have been invited to a fun party where magicians and variety entertainers display their talents for their friends. This month marks the beginning of a new and unique venue in Santa Barbara.
